

CALL FOR PAPERS

The 18th Computer Vision Winter Workshop will be held in Seminarhotel Schloss Hernstein, Hernstein, Austria from February 4th to 6th, 2013.

CVWW is an annual international workshop, its goal is to provide a platform for young researchers. This year, the workshop offers **OCG Best Student Paper Award** to the best papers. More details can be found on <http://cvww2013.prip.tuwien.ac.at/>

Topics (not limited to)

- Pattern Recognition
- Visual Computing
- Object Recognition and Categorization
- Stereo and Structure from Motion
- Machine Learning
- 3D Vision
- Medical Image Analysis
- Applications of Computer Vision

Important dates

Submission :	10.12.2012
Notification of acceptance:	11.01.2013
Camera ready version:	21.01.2013
Registration:	15.01.2013

Prospective authors should submit papers (at most eight pages long) of novel research material. Accepted papers will be offered publication.

Workshop Chairs

Walter G. Kropatsch
Geetha Ramachandran
Fuensanta Torres

Invited speaker

Werner Purgathofer (Vienna University of Technology)

Program committee

Nicole Artner	Yli Haxhimusa	Bostjan Likar	Tomas Pock
Csaba Beleznai	Vasek Hlavac	Rok Mandeljc	Radim Sara
Horst Bischof	Michael Hornacek	Jiri Matas	Viktoriia Sharmanska
Nicole Brosch	Stefan Jeschke	Branislav Micusik	Danijel Skocaj
Luka Cehovin	Filip Korc	Tomas Pajdla	Tomas Svoboda
Ondrej Chum	Matej Kristan	Janez Pers	Martin Urschler
Vojtech Franc	Christoph Lampert	Roman Pflugfelder	Andreas Wendel
Margrit Gelautz	Ales Leonardis	Axel Pinz
